

In re Patent Application of:
HOLT ET AL.
Serial No. 09/846,786
Filing Date: May 1, 2001

On August 30, 2002, the Examiner mailed a Final Office Action noting that the Terminal Disclaimer filed June 27, 2002 was not proper because it was signed by an attorney who is not of record in this application. Applicants have now submitted a Terminal Disclaimer that is signed by the attorney of record, Charles E. Wands.

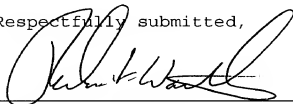

Applicants contend that the present case is in condition for allowance.

If the Terminal Disclaimer fee of \$110.00 was already charged to Harris Corporation Deposit Account No. 08-0870, Applicants request that the previous charge be applied to the present Terminal Disclaimer because the previous Terminal Disclaimer that was not signed by the attorney of record was not entered.

If the fee is required, then authorization is hereby given to charge the Terminal Disclaimer fee of \$110.00 to Harris Corporation Deposit Account No. 08-0870.

If the Examiner has any questions or other suggestions for placing this case in condition for allowance, the undersigned attorney would appreciate a telephone call.

Respectfully submitted,

RICHARD K. WARTHER
